Plaintiff

: Judge Kathleen O'Malley

v.

:

Javitch, Block & Rathbone

:

Defendant

Affidavit

Plaintiff states under penalty of perjury that:

- 1) I have reviewed the "Statement of Facts" in the "Memorandum in Support of Defendant's Motion to Compel Arbitration."
- 2) It is not true that I "listed" the address of 101 Terrace Lane, **Cleveland, OH** 44144 when applying for a Capital One credit card in March, 2004 or in October, 2004.
- 3) I have lived in the City of Brooklyn, OH, since 1970 when I returned from Viet Nam and have never represented myself to live in Cleveland when applying for this or any other credit card.
- 4) My best recollection is that when I applied for the credit card I was asked to provide my home zip code. Based upon that, the "city" was assigned by the software system.
- 5) I had no understanding of what an arbitration agreement was in 2004 when I applied for these cards and did not knowingly agree to submit to arbitration by applying for a credit card.
